

BIG EARS SOUND ADVENTURE

What can you hear?

Rabbits like Peter, Lily and Benjamin have huge ears. They can hear even the quietest sounds, making each day like a sound adventure for them!

Why don't you and your grown-up make like a big eared rabbit and head out on your own sound adventure?

See if you can tick off all the sounds on your checklist:

Birds tweeting

Animals scurrying

Trees rustling in the breeze

Branches snapping

Footsteps

Children playing

Raindrops

Water gurgling

Insects buzzing
